Message from the Pastor

Dear friends,

The abbey on the Isle of Iona is truly a holy place ~ you feel it as soon as you walk in the door and gaze through the church: past the huge stone and marble baptismal font at the top of the stairs, down through the rows of chairs, the dozens of candelabra lit each night, the ancient pulpit and choir stalls to the enormous altar made of the unique green Iona marble. We gathered there each morning and evening to worship with the Iona Community, other pilgrims and many of the residents of the island.

(See photo below)

The original church built by St Columba in the late 500's is long gone; the current abbey, built in the 1200's, was badly destroyed during the Reformation in 1560 (not one of the Reformers' finer moments!) and deteriorated more and more until 1935, when George MacLeod came to Iona and established the Iona Community.

At times – I must confess – my mind wandered during the service (*you've never done that, have you?!?!*) while I absorbed what was around me: worn stones and arches that clearly remain from the 1200's, glimpses through the abbey's small windows of the fields surrounding the abbey, the beautiful diversity of the people worshipping (*or mind-wandering!*) with me....

...what never failed to amaze me were the ferns growing out of the wall throughout the abbey! At first, I thought they were hung there as decoration – simple, natural – and then I realized they actually grow in the walls! The ferns are never watered, never pruned – they have a life of their own and survive there – year after year! When we were given a tour of the abbey, we were told that there is a good chance that some of these ferns grew from spores that have been in that place since St Columba first built a church there.

I give you this image from my "worship musings": life springing forth from between even the hardest stones....growing and flourishing without being tended and protected....

I'm grateful for this reminder of Creation ~ of beauty and life taking hold and springing forth in the least expected places...grateful for this reminder of the presence of our living, breathing God.

Blessings,
Nancy

**Annual Fall Retreat ~ Coming October 22nd!
Mark your calendars NOW!**

*“Generally speaking,
if you want to know who you really are as distinct from who you like to think you are, keep an eye on where your feet
take you.”*

Frederick Buechner, Wishful Thinking

Plan to join us for our annual fall retreat at Glastonbury Abbey in Hingham, October 22-23! The theme this year will be *“Where are your feet taking you!?”* We often find ourselves rushing through each day from task to task, following routines and habits without ever stopping to consider whether this is really what we want to be doing ~ whether this is the life we *want* to lead. What do the patterns of our lives say about us? Are our feet taking us where we want to go ~ and if not, how might we change direction? And if we looked up from our feet toward where we would like to be headed ~ what would be different in our lives?

Our retreat will begin at 11:00 on Saturday October 22 and end with lunch on the 23rd. Cost for the retreat (overnight and 4 meals) is \$100/person; scholarship aid is available – just speak to Nancy. More information will follow, but now is the time to start saving the date!

WORCESTER PRIDE WEEK 2016

Worcester Pride Week 2016 ~ Schedule is below:

September 4 ~ Pride Art Show Reception at Electric Haze ~ 6-8 pm
NEW! Join Worcester Pride as we kick off a month-long Pride Art Show at Electric Haze with a Reception open to the public. Cash Bar

MESSAGE FROM THE PASTOR

SERIES ON HEALING

*Are any among you suffering? They should pray.
Are any cheerful? They should sing songs of praise.
Are any among you sick? They should call for the elders of the church
and have them pray over them, anointing them with oil
in the name of the Lord. James 5:13-14*

The ministry of healing has a long tradition in the Christian church. There are countless stories of Jesus healing people of physical, mental and emotional illnesses ~ making them whole. While there is much we cannot understand about healing – why sometimes we are “healed” and other times are not – we believe we are never beyond God’s loving care, for God hears all our prayers and holds us always in God’s tender heart.

True healing is not simply physical – but involves our whole being: body, mind, spirit. While healing is always a gift of God’s grace, our willingness to be healed and to be part of the process of healing also plays a part. We know that there are things we can do to be healthy, and what a difference our attitude makes in the way we feel.

We will be offering a three part sermon series on healing, beginning on **September 4th**. We will begin with a holistic understanding of healing based on Jesus’ ministry; the second sermon will focus on things we can do to help with our own healing (practices of prayer and meditation integrated with our daily lives); the final sermon will connect the role of humor with healing.

On **October 2nd**, we will offer an opportunity for anyone who would like to receive a prayer for healing and laying on of hands immediately after receiving communion.

VOLUNTEERING AT THE FOOD CUPBOARD

For the past several years, members of our congregation have been volunteering at the Carty Food Cupboard. The Cupboard is located at Wesley Methodist Church, just a couple of blocks away from United, and serves many in the downtown Worcester area. Over the past decade, for example, the number of individuals and families who are helped by Carty each month has increased from about 80 to over 400! Carty is open several mornings each week, and many clients receive assistance then. These hours are not feasible however for some who depend on the food, especially those who have day jobs. Therefore, Carty also is open a couple of Monday evenings each month, one of which is filled by United Congregational Church members.

United's shift runs from 5:30 to 7:30 p.m. the second or third Monday of each month. The date is always listed in that month's issue of Voices, and the next date is: **September 12th**. Volunteers perform a variety of tasks, including greeting people, logging them into the computer records, and packing/handing out bags of groceries. Our church's team consists of members who have volunteered here for years, as well as members who are there for the first time.

The Carty Food Cupboard has been a very rewarding ministry for United. Everyone participating has remarked on how volunteering there has helped United members become better acquainted with each other, and we have also gotten to know (and become quite fond of) many of the people we serve. It has also been a wonderful opportunity for our church to help others! We hope everyone will consider becoming part of our Carty team, and encourage anyone interested to contact **Tim Camp** (timbamp@aol.com; 508- 798- 6997) for more details.

Blessings,

United's Missions & Outreach Ministry

Our Stillspeaking Voice

FAITH BEYOND BARS

Remember those who are in prison, as though you were in prison with them; those who are being tortured, as though you yourselves were being tortured.”
(Hebrews 13:3)

Deeply connected to the recently renewed dialogue about the criminal justice system, and the pressing need to address the reality of mass incarceration in our country, are issues of justice that are at the core of our faith.

In the lives and faces of those who fall into the criminal justice system, we encounter Christ. Even in the midst of profound brokenness, we are challenged to seek out the image of God in this complex and challenging context. We cannot enter the conversation at arms-length. Because we are followers of Jesus, we are called to be present as ambassadors of healing, restoration, and justice in jail cells, courtrooms, prison yards and in the lives of the returning citizens and their families.

During this month we invite you to show the world what faith beyond bars looks like.
